Dear Homestead High School Principal and Educators:

Each year Rotary Clubs around the world provide a program to recognize and develop leadership potential among the young people within the community. We are looking for a few excellent candidates among the high school students in their sophomore or junior year to apply for Rotary International’s Youth Leadership Awards (RYLA).

Local students selected for the awards program will attend an all expenses paid Leadership Conference with 180 other outstanding high school students from throughout the greater San Francisco Bay Area. The conference will be held at Camp Campbell near Boulder Creek, California on June 13-18, 2010.

We need your assistance in identifying appropriate candidates for this recognition and participation in our RYLA program. Please distribute one of the enclosed applications to any young person you feel might benefit from participating in RYLA.

Qualifications of successful applicants include demonstrated leadership potential, public speaking ability and a good academic standing. We are very interested in receiving applications from both male and female applicants. This will work toward the development of the skills that will enable young men and women to work together to solve problems and achieve common goals now and in their future business and professional lives.
